This beautiful book will contain more than 225 pages – most with pictures – depicting the uniforms, aircraft, slogans, stewardess wings, innovations, related organizations and milestones of American Airlines. Over eight years of research and submissions by those who flew the line make this a tremendous accounting of 1933 – 2010 as it relates to the AA Stewardesses/Flight Attendant Corps. With an anticipated publish date in March of 2010, this book will sell for approximately \$39.95 plus \$7.95 shipping and handling. **Send no money now.**
