NOVEMBER IS NATIONAL ENDEAVOR MONTH

August, 2009

Dear Chapter President and Member at Large:

Each November of the odd number year, The Kiwi Club focuses on efforts to raise funds for our National Endeavor, **The Wings Foundation**. It is an appropriate time in a month connected to thankfulness for all the blessings in our life.

But when we least expect it, life may bring immense challenges to us in the form of illness or destruction of our home and property from nature's wrath. These are times when our resolve is stretched to the limit and we must look elsewhere for support and assistance. This is the mission of The Wings Foundation: *to help current flight attendants in their times of dire need.*

With this focus in mind, I encourage all chapters to continue this tradition to raise funds for this worthwhile endeavor. While difficult economic times can present a challenge to fundraising, be creative in finding fun ways to encourage everyone to give what they can. Donations large and small are welcome for the wonderful spirit of giving they represent.

I am enclosing a National Endeavor Report form to detail how your funds were raised. Please enclose this form with your chapter's contribution. Be sure all checks are made payable to The Wings Foundation and forward to me by December 18th, 2009.

**Kathy Joy Minner
National Endeavor Coordinator
1717 Baron Court
Port Orange, FL 32128**

I have no doubt that the spirit of giving is as strong as ever in all of you. On behalf of all the flight attendants that will benefit from your giving, I thank you.

Warm regards,

Kathy Joy Minner
National Endeavor Coordinator
