

# FORT WORTH KIWI KAPERS

December, January, February  
2010---2011

Since our Newsletter, "Kapers," is now done every 3 months,  
let us be the first to wish you all a **Merry Christmas, Happy New Year,**  
and **Happy Valentines Day!**

National News-----Hope you all received the latest *Kaleidoscope* (if not **Judy** made copies). What a great write-up on our FTW chapter with the picture from our joint luncheon. Two notes:

- >Save your wine bottle corks for the Wings Foundation
- >Special thanks to all the Florida chapters who are helping with the 2012 Convention

On a sad note, our liaison with Wings, **Patti Baker**, passed away in November. Prior to her passing there were write-ups about her in the Star Telegram and the in-flight magazine "American Way" regarding her strength during her health situation She was a delightful lady who came to many of the AA Wings-Kiwi functions. She was unable to come to the joint luncheon in March, and at the same time we were hoping to get her into our FTW Kiwi Club. Hope you had a chance to meet her. **Roschelle** has both write-ups and will bring them to the January meeting.

Local-----

**September:** Had a good turn-out at our first luncheon at Neimans.

**October:** We visited the 9/11 Memorial in Grapevine where we got passers-by to take our pictures. Then off to Esparza's where we met **Kay** and **Gary Fletcher** for lunch. Then we went shopping. What a neat place to shop.

**November:** We had a wonderful lunch at **Jean Hague's**. Our very own Avon rep **Kay Fletcher** really knows her stuff with make-up. She used **Roschelle** as her model and we all enjoyed it so much.

We get to start off our new season with a new member, **Pat Major-Harris**. Love listening to her stories and she has great ideas. Her new address, phone number and flying info can be found in the new roster. Also **Eleanor Hudiburg** (Red River, NM) joined again saying, "I will always be a Kiwi." **Zsuzsi** and **George Schroeder**, while traveling in NM, were able to meet up with **Eleanor** and have lunch. More FTW Kiwi travelers were **Jean Hague** and husband to Ireland and **Kay** and **Gary Fletcher** to Cabo. **Roschelle** went home to visit family and enjoyed the fall colors.

With Christmas coming up we want to send cards to **Kay Halbower**. **Roschelle** talked with **David** and said she was doing as well as can be expected. She is in Stonegate but David said to send any and all cards to their home address and he will deliver them.

**December 14**, 2010: Our Christmas dinner with husbands and friends has been changed to Piola's. 6:30 pm.

Directions are as follows: 3700 Mattison, FTW 76107 [817-989-0007]

Taking 30 from Arlington, go to Montgomery St. Exit (actually the way you would go to the antique mall) and turn right onto Montgomery. Take Montgomery to Camp Bowie (big 5-way traffic signal) and keep going straight on Montgomery. One block past Camp Bowie turn left onto Mattison Ave. One block on Mattison (corner of Mattison and Haskell) is Piola. A small house right on the corner and a parking lot directly across the street in front of restaurant (easy just one turn after you get on Montgomery and just one block after you turn).

**January** 18 meeting 11:30 at Blue Mesa, 817-332-6372, 1600 University Village. Exit University south from I-30. Across from Macaroni Grill.
