Convention 2022 Ft. Worth, Texas  
Term 2022-2024

## CHANGING OF THE GUARD

Once more, The Kiwi Club held a convention and changed our “guards.” Our guards look after our financial affairs, keep track of our membership and information, take our minutes for posterity, seek out new members and assist those who are interested in forming a chapter, stay in constant contact with chapters...and, of course, stay connected to our members at large.

The new National Executive Board has begun their two-year term. They were installed immediately after the Delegates Meeting at convention with a champagne toast wishing them the best for the next two years.

There is no doubt these capable people will guard our club and keep it viable: **President Stephanie McCauley Butler**, O’Hare, FL Suncoast Chapters; **Vice President Vicki Valenciano Kubal**, O’Hare, SW Florida, FL Suncoast, FL Gulf Coast Chapters; **Second Vice President Ginger McDonough Paul**, Atlanta Chapter; **Treasurer Melissa Williams McGrath**, Nashville Music City Chapter; **Secretary Kathryn “Kat” Applegate Walton**,

FL Gulf Coast Chapter; **Past President/ Parliamentarian/Endeavor Coordinator Sam Gooch**, EWR and Nashville Music City Chapters; **Advisor Kathy Poppenberg Kridel**, FL Gulf Coast Chapter.

And don’t forget the Support Staff: The “helpers” remain the same with the exception of two. There’s a flip: **Jane McDonald Jamison** has stepped down as the Editor of the *Kiwi Kaleidoscope*, becoming Co-Editor and serving as backup. **Mary Richter Thrasher** takes Jane’s position as Editor and takes on the responsibility of publishing the newsletter, as well as continuing with her “birds.” Our outgoing National Secretary **Jill Richey Rohan** has replaced **Ginger McDonough Paul** as our Website Hostess as Ginger is now our Second Vice President and is in charge of the Kiwi database.

So never fear! Even though there has been a changing of the guard, your club is in good hands.

**Kathy Kridel, Sam Gooch, Melissa McGrath, Kat Walton, Vicki Kubal, Stephanie Butler  
2022-2024 National Executive Board**

## From your prez...

### Greetings, Kiwis!

What a nice convention we were given by the DFW/Mid-Cities Chapter. For those of you who attended, you will agree that this chapter was all in! They showed us a great time. Our visit to the Flight Academy and reminiscing, continuing on to the C.R. Smith Museum and dining under the wing of a DC3 was a night to remember.

If you haven't been to a convention, I highly suggest that you go for it is truly a fun experience. You will see people that you haven't seen in years and make new friends. Your career with America Airlines has been an important part of your life whether you flew for a few months or many years. You can rekindle those memories at a convention. In fact, at this convention I celebrated my 50-year anniversary at the reunion as I graduated in Class 71-8.

My experiences as a Kiwi began while I was still flying; I became a member of the Chicago Chapter in 1994. Sometime later, a few of us started the O'Hare Chapter and we now have close to 150 members. I love being a Kiwi and have stayed active and involved in the organization for many years. This is what I want to focus on during my time as your National President – being involved and active in your chapter and the National Board. Some of you may not know that if you are a Member at Large, the National Board is open to you as well as to chapter members.

We all have gifts and talents that we can give to The Kiwi Club. Our Club can only be as good as your involvement. That being said, I want to work with chapter presidents, gathering ideas on how to get members to serve on committees or as officers in their chapter – or on the National Board.

The 2022-2024 National Board wants to focus on growing our membership with online flight attendants. In fact, our new National Treasurer, Melissa McGrath, is an online flight attendant based in DFW, and I'm sure will be an asset in our efforts.

Your new National Executive Board has already discussed ideas and goals, and we are enthusiastically looking forward to our two years in office. Remember, you too have gifts, talents, and ideas to share with The Kiwi Club and your input is welcomed.

I serve as your National President with joy!

*Stephanie*

Stephanie McCauley Butler  
National President 2022-2024

### Dear Members at Large,

Last term, I served as National Treasurer and met or was in contact with many chapter presidents and treasurers. Now my responsibility is to be the liaison between the National Executive Board and Members at Large. I will be your "go to" person and am excited to be working with you and for you.

As you can see from information about me, I recently moved to Florida from the Chicago area. Although I remained a member of the O'Hare Chapter, I knew I could make friends quickly by getting to know Kiwis in the area. So I jumped right in and joined the Southwest Florida, Florida Suncoast, and Florida Gulf Coast Chapters, all on the west coast of Florida near where I now live.

My goal now is to make friends with as many Members at Large as possible. Please contact me!

*Vicki*

Vicki Valenciano Kubal  
Vice President, 2022-2024

## Repeat – Repeat – Repeat – Repeat

These three questions are asked repeatedly by members:

*What does the National Board do for Kiwis?*

*Why do I need to pay National Dues?*

*Why Can't I just pay Chapter Dues and be a Kiwi?*

The answers remain the same: Without the National Board and Support Staff there is no Kiwi Club. Without these men and women who give hours and hours of their time – and many times money – we are only a bunch of people who once flew or are now flying for American Airlines.

The Board and Support Staff take care of your data, they take care of your money, including the money donated to the National Kiwi Fund which helps members in need. They keep records of all they are doing for the Club, the reasons why, and the results. They gather news and publish a newsletter quarterly and after conventions, keeping you up to date with the Club's business as well as your friends. They collect and take care of your – yes, **your!** – two collections of American Airlines uniforms going back to the beginning of the airline, one a collection of museum quality, the other available for you and others to showcase in meetings and events. (If you were at the recent convention, you saw the uniforms on display.) They collect and maintain the history of the Club in professional archives. These members act as the liaison between the Club and AA. They keep your website up and running, a site that gives you everything you need to know about the Club, even allowing you to showcase items for sale to help raise money for your chapter's charities. They plan and oversee conventions, working with hotels, caterers, entertainers, chapters, and members at large to ensure that you have a great time. I could go on and on, but suffice it to say these people work tirelessly to make **your** club a success. And don't forget – these people are **volunteers**, not paid employees!

***Just because you flew for American does not make you an automatic member of The Kiwi Club!*** Yes, having flown for AA or still flying (including those who flew for those airlines purchased by or merged with American) is a prerequisite to joining the Club. However, that isn't the only requirement: you must pay **national** dues of \$50 every two years to be a Kiwi. We are a chartered organization and the oldest one of its kind. Do you know of another organization where dues are this low? I don't know of any organization as large and as unique as ours whose dues are only \$50 for a two-year tenure. So remember, there is no such thing as a "chapter member" unless you have paid your National Dues and **then** joined a chapter.

## Before, After, and Back Again

The *Kiwi Kaleidoscope* had its beginning when Mary Richter Thrasher and Jan Brown Hanson got together and decided to produce a "true" newsletter for The Kiwi Club; they named it *Kiwi Kaleidoscope* as it was, like a kaleidoscope, a myriad of things.

When Jan left her position, Mary carried on alone. At the convention in 1990 in SFO when I lost the election for president to my friend Mary Hilburg, Mary Thrasher had heard I had experience in publications, so she asked me to join her and I accepted. That was 32 years ago. We are a team that works well together and we became good friends.

When Mary's life and her decision to run for a national office left no time for the KK, she turned it over to me totally except for her artwork. The time has come for me to again take the back seat and let Mary resume her place as editor once more. I will take the co-editor's

place and help her as needed, but will no longer be responsible for publishing your newsletter.

It has been a great ride and the standing ovation you gave me at convention and the words from so many members was humbling and brought tears, especially since working on the *Kaleidoscope* all these years has not been a chore, but a work of love. This is my last issue of the *Kaleidoscope* as editor. Thank all of you for making me look good.

**Jane**

Jane McDonald Jamison

Dear Kiwis,

The past two years have been very fulfilling. It has been an honor to work with so many incredibly talented retired and current AA flight attendants. Collectively, **we** can move mountains! **We** work and play hard but, most importantly, **we** take care of each other by supporting both Wings Foundation and the National Kiwi Fund.

With Covid all around us, the National Executive Board and Support Staff continued to make great strides in keeping this unique club moving. **We** had to think outside the box; we moved from face-to-face meetings to zoom meetings then to mixed meetings when we were allowed. **We** made it work.

During the term, the NEB and Staff made contact with most all Kiwi chapter presidents and the Members at Large representatives to glean ideas of what they were doing and how we could maintain contact with members. We passed this information along to all chapters so ideas could be shared. Our fabulous Vice President K.Lynn Hoffmann Yelvington kept the MALs apprised of all information and changes, not an easy feat as there are over 130 MALs on the Kiwi roster.

One of our greatest achievements in this term was the new chapter that was created in Hawaii! Again, K.Lynn, along with Past President Kathy Poppenberg Kridel, were instrumental in getting this new chapter off the ground. Thank you, ladies!

A hard copy of two issues of *Kiwi Kaleidoscope* was mailed to **all** members to make sure everyone received and read the news. We continue to mail hard copies to those unable to view the KK on a computer, and we post the issues on our website for viewing, plus eBlast the copies to chapters. The initial reason for posting the KK on the website was to save the cost of postage and thus not have to increase membership dues. Thanks go to Jane McDonald Jamison and Mary Richter Thrasher for all their hard work in wrangling those making contributions, writing articles, creating pertinent artwork, and making the issues interesting.

There are so many of you to whom I want to say “thank you,” but there isn’t enough room to allow me to go on and on. So...Thank you all!

I will still be around for a few years and will be assisting Stephanie McCauley Butler, your 2022-2024 National President, settle into her new office, along with her entire board. Our thanks go to this new board for stepping forward to continue and direct this wonderful organization. You make me so **proud!**

xxoo

**Sam**

## 70 YEARS! WEAR IT PROUDLY!

Did you know that The Kiwi Club has designed and produced a charm to commemorate our 70 years as an organization?

If you were at convention and didn’t purchase the lovely charm, or maybe you couldn’t attend convention but would like a charm to celebrate our anniversary, there are a few left. Either way, purchase your charm now!

To order your charm contact:

Mary Thrasher  
21 Briarwood Lane  
Palatine, IL 60067

Please include your check for \$20, made payable to The Kiwi Club, and this commemorative charm will be mailed to you, postage free.

**Food for thought....** We take English for granted, but if we explore its paradoxes, we find that quicksand can work slowly, boxing rings are square, a guinea pig is neither from Guinea nor is it a pig. Why is it that writers write, but fingers don’t fíng, grocers don’t groce, and hammers don’t ham. Doesn’t it seem crazy that you can make amends, but not *one* amend? There is no egg in eggplant nor ham in hamburger. Neither apple nor pine in pineapple. English muffins weren’t invented in England. And, the masculine pronouns are he, his, and him, but imagine if the feminine followed with: she, shis, and shim! Sometimes I think all people who speak English should be in an asylum for the verbally insane!

# HAVING A GREAT TIME AT CONVENTION 2022 - OUR 70<sup>TH</sup> ANNIVERSARY

## One of the Traveling Uniforms Displays at Convention 2022

Hello Kiwi sisters and brothers!

It is my pleasure to remain your Traveling Uniform Coordinator for the 2022-2024 term. Thank you for your faith in me.

Your uniforms have been on display in several areas – one shown here at Convention 2022 in Ft. Worth. They were also included in the show at the Charlotte Airport for the American Airlines 40<sup>th</sup> Anniversary Celebration there. Both were a big hit!

The convention display included six examples of uniforms, ranging from the 1930s to the 2000s, and were displayed in several areas. The Charlotte show featured uniforms from the 1980s to 2020 and were modeled by current flight attendants.

As you may know, TKC owns two uniform collections – the Archival Collection curated by Linda Timberlake and the Traveling Collection cared for by me. The Traveling Collection is available to Kiwis for use in shows and displays. To arrange for their use, contact me.

And don't forget to donate any and all uniform items to The Kiwi Club's collections!

*Chris*

Chris Strommer Moeckel, Traveling Uniform Coordinator

## Where the Best Began and Continues Forward

The DFW Kiwis definitely know how to throw a party! What a fabulous time the 179 registered Kiwi attendees had celebrating Convention 2022. From the warm Texas welcome, to the memories flowing through the hospitality room filled with 70 years of memorabilia, to a fantastic continuing slide show of Kiwis through the years, to our big events. It was definitely a treat!

The Opening Day Luncheon highlights included the presentation of awards for both 2020 and 2022, the Prize Opportunity drawing, and TA DA!...our introduction to AA Vice President, Flight Service, Brady Byrnes. Brady, a former AA flight attendant, spoke of his eagerness to learn more about The Kiwi Club, his career as a flight attendant, and his personal involvement with Wings. Thank you, Brady! We look forward to working with you in the future.

### The winners of the Prize Opportunity

50,000 AAdvantage Miles – **Jan Moscaret**, Los Angeles Chapter

100,000 AAdvantage Miles – **Larry Hart**, Los Angeles Chapter (spouse)

200,000 AAdvantage Miles – **Pilar Hale**, South Bay Chapter

Our Optional Event buses took 120 of us to the C.R. Smith Museum where we explored the exhibits, soaked up our history, and shopped and shopped in the Museum Store. Our dinner was held under the wings of the DC3 and many of us were scrambling around to find “our brick.” (One brick was spotted with the words “Fly Delta” engraved on it. How did that get there?) But, as one member described the evening, “It was magic!”

After a morning of getting down to business and electing officers for 2022-2024, Kiwis took to the streets of Ft. Worth, marveling at the wonderful changes in the city and taking advantage of new restaurants and shops.

All too soon, it was time for our Grand Finale – “The Way We Were.” Kiwis and guests, adorned in their finest attire, eagerly entered the elegantly decorated ballroom. Following dinner and a fond farewell from Chairperson Marge Coulson Holmes (and an unscripted loving and comical tribute from her husband, David), Kiwis really got their groove while responding to our entertainment for the evening – *Ron and The Grooves*. Kiwis flooded the floor, from the 55-year olds to the 90-year olds, all dancing and having a great time “Doing What We Do Best!”

As always, we celebrated our friendships, our camaraderie, our shared past, and our pledge for the future.

### **A GREAT TIME WAS HAD BY ALL!**

After waiting four long years, we were finally able to escape our homes and meet in Ft. Worth – “where it all began” – to celebrate our 34<sup>th</sup> Biennial Convention. And what a celebration it was!

There were so many highlights of the convention that it is hard to choose one. “Come Fly With Us,” our opening luncheon, was one of many. President Sam Gooch introduced the outgoing National Board, the Support Staff, past National Presidents, the candidates for the 2022-2024 National Board, the oldest Kiwi, and recognized the different Stewardess/Flight Attendant eras of flying years.

One of the biggest highlights was our guest speaker, Brady Byrnes, Vice President of American Airlines Flight Service. What an incredible speaker! He kept all of us glued to his every word as he told us his experiences with American, from starting as a Flight Attendant to being a Vice President. After his fascinating speech, Sam announced all of the award winners and the winners of the AAdvantage Miles which American so graciously donated.

What an exciting time we had that evening at our Optional Event. Going through the training facility brought back memories, then touring the C.R. Smith Museum and enjoying the many exhibits and a fascinating movie, eating dinner under the wing of the DC3. And, of course, the Museum Store. Being the shopaholics that Flight Attendants are, the store was filled and a long waiting line waiting to purchase the many souvenirs of our great trip.

Probably the biggest highlight was our closing banquet, “The Way We Were.” Kathy Knott did an incredible job of making the tables beautiful and creating the ambiance for our elegant dinner and evening. We had an amazing band, Ron and the Grooves, who set the stage for a fun-filled evening. They had our group up in a Conga line, dancing all over the room, singing “Leaving on a Jet Plane” and other songs from our eras. We danced the night away! I’m sure there were many sore feet the next morning.

Thank you, Jock Bethune, for the wonderful video you made of The Kiwi Club’s history that was shown in the Hospitality Room. Jock put a You Tube video together of this history, so if you didn’t see the video go to The Kiwi Club: 70<sup>th</sup> Anniversary Convention. And we can’t forget to thank Chris Moeckel who brought the Kiwi’s Traveling Uniform Collection from Atlanta and showcased them in strategic places for all to see, including in the Hospitality Room. And thanks for Jill Rohan’s AA posters scattered about.

Thank you to everyone who attended! We had about 70 first-time attendees who had a wonderful time. I can’t imagine how many new friendships were made and how many old friends reconnected. A special thanks goes to the DFW/Mid-Cities Chapter members who worked so hard to put this event together and make it such a huge success.
