She was Small and She was Mighty
Rest in Peace, Mary Louise

Mary Louise was always among Friends.

She was one of the sweetest ladies I have ever known! She loved her family and was so proud of them.

She was deeply religious, and because her family was from Mexico, everyone thought she was Catholic which annoyed her just a little bit!

Mary Louise had a wonderful smile and a very contagious laugh.

She was a very classy lady, but loved having fun. She was wild about dancing!!

She came from a large family.....I believe 13 or so.

Mary Louise was her Mama's girl. She talked often about her Mother's wisdom.
She lived her life by the ethics and morals taught by her Mom.

If you were lucky enough to be her friend, you knew you were given a wonderful gift!

I have no doubt Mary Louise is where she belongs, with the rest of our Angels.
